

“On behalf of the 137th MP Det we just wanted to say thank you Mrs. [Sally Diamond Wiley](#) for everything. Immediately when we received the care packages we can see that you put in a lot of care and time into them and we do appreciate it. After a long day these care packages were a huge morale booster for the team. People like you are our heroes.

“Thank u so much for our packages. We can tell u guys put in a lot of quality things in there. I greatly appreciate everything. The unit says thank you Ma'am.”

“Sorry if some of us have our eyes are closed it’s been a long day but your packages were a big pick me up.”

Thank you everyone for your help!

Dear Ms. Wiley,

My name is Specialist Dustin Keller from the 137th Military Police Detachment out of Henderson, Nevada. I wanted to say thank you to all the parties involved for the care packages you sent!! Having good food from home makes a difference when deployed, especially in a combat zone. I always feel a special sense of gratitude when someone sends us a care package knowing only that we are soldiers, serving our brothers and sisters from the states and helping to keep them safe. So thank you, thank you for thinking of us, and for caring for us enough to take time out of your life to send us all some goodies. You make a difference in our lives here, and lift our spirits with your gesture.

Sincerely,

SPC Keller
137th MP DET
